

PECAN GOOD GOVERNANCE ASSOCIATION

Working for a Better Community

Dear _____

Several of us who occasionally drink coffee together are alarmed about the quality of the Pecan Plantation Home Owners Association governance. In particular, we are concerned that the recent controversy among the Board of Directors will severely discourage and inhibit reasonable, qualified members from seeking Board positions next year.

We believe a concerted effort is needed to identify, recruit and support responsible, qualified team builders for election as directors. And we further believe that an effective group of responsible members is needed to accomplish this task.

This is your personal invitation to join us on Sunday afternoon, November 8, at 3:00 pm in the Brazos Room. If there is sufficient interest in moving forward, we will adopt a purpose, establish an informal organization, and identify the desired characteristics of prospective Board candidates.

We hope you will join a group of your like-minded neighbors to share your thoughts regarding this effort.

Thank you,

Jim MacLea
